

CENTRAL HIGH SCHOOL MARCHING BAND PARTICIPATION AGREEMENT CONTRACT

The purpose of this contract is to establish an agreement between _____ (Print name) and the Central High School Band for the purpose of efficient rehearsal and performance participation.

Agreement

I believe that I am the most important member of the Central High School Marching Band and that the success or failure of the band is a direct result of my attitude, my preparation, and my personal performance at each rehearsal and public performance.

I understand that attendance at all mandatory rehearsals and performances of the band are required and I agree to be present. This includes practices, football games, competitions, trips, parades, and any other scheduled performances of the band.

I understand that it is my duty to learn all music that is given to me to the best of my ability, learn all drill moves and sets in a timely fashion, and work to perfect every element of the marching show that is my responsibility to complete.

I agree to consult with the director for permission to be excused from or tardy to any rehearsal (i.e. make-up test, doctor’s appointment) **prior** to the rehearsal. In addition, I agree to support my absence or tardiness with a note from the teacher, doctor involved or a parent. (A parent delivering a student to rehearsal late may speak to the director in lieu of a note.)

I agree to be prompt to each event and to not have to be told to go to an assigned position.

I agree to have with me at all times the following: set and music notebooks, pencils, instrument, guard equipment or drum sticks/mallets, instrument maintenance accessories, or any other necessary items as required by the director.

I agree to wear the proper designated clothing for rehearsal and performances and to take care of myself following common sense (i.e. never attend rehearsal or performance on an empty stomach, drink plenty of liquids, not to rehearse without shoes, etc.) I understand that not following these simple rules might impair my performance and ultimately hurt the band.

I agree to promote the positive image of the band by maintaining good grades in other classes, maintaining good citizenship in school and on the performance field (no suspensions, bad language, etc.), and leaving personal conflicts with others at home, as well as maintaining good hygiene and proper appearance.

I understand that there will be financial obligations that I will have to fulfill as a member of the Marching Band. I agree to pay all fees and turn in all fundraising projects at the designated times. I will participate in all projects or pay the designated fee assigned to the project to support the band. Failure to meet the deadlines for trips will result in me not going on the band trip.

I agree that there may be times that I will be called on to perform or rehearse when I am not in peak condition, and I will do so to the best of my ability.

I agree that the decision of the director is final.

(By signing this form, we acknowledge that we have read the entire contract and agree to its terms.)
